Bring the full amount of your tithes to the storehouse, so that there will be plenty of food there. Put me to the test and you will see that I will open the windows of heaven and pour out on you in abundance all kinds of good things.

- Malachi 3:10

WHAT IS E-GIVING?

Your tithes and offerings support Foundry's mission and ministry. We now offer a paperless giving option for your convenience.

E-Giving is a gift processing system that uses the electronic funds transfer network used by banks. Individuals and organizations may transfer funds electronically, eliminating the need to write a check.

E-Giving gives you the flexibility to transfer money from your bank account to the church account once or twice a month. Simply give the church and your bank permission to initiate the transfer on the attached form and the church Business Office will do the rest. Your gifts through E-Giving can be changed or stopped at anytime by notifying the office in writing.

Returning to the Lord a portion of that which he has blessed us with is one way we can show our obedience to and love for him. If you choose E-Giving, consider it an act of worship. During worship each Sunday you are encouraged to:

- Pray as the offering plate is passed, thanking him for the abundance of his blessings showered on you.
- Consider making an offering to the Lord over and above your E-Giving tithe. This extra offering could be directed to specific ministries or purposes.

HOW DO I BEGIN E-GIVING?

To begin enjoying the conveniences of E-Giving, simply do the following:

1. Complete the authorization form on the back of this panel.
2. Attach a voided check to this agreement.
3. Return to the Business Office.

God is able to do so much more than we can ever ask for or imagine.

Ephesians 3:20
